

HEALTH & WELLNESS PROTOCOLS

Thank you for your cooperation in following these protocols so that we can keep our studio community healthy and safe.

- If the student or anyone in their household has COVID, influenza, or any other highly contagious illness please DO NOT come to the studio. Contact the studio as early as possible to move the lesson to Zoom for that day.
- If a student is experiencing any of the following symptoms within 24 hours of the lesson, please DO NOT come to the studio. We can move that day's lesson online if they are feeling well enough.

cold-like symptoms (even if you think it's just allergies)

flu-like symptoms

cough

fever

vomiting

diarrhea

- Students are asked to use hand sanitizer (provided here or their own) before being seated at the piano.
- Remind younger students to refrain from putting their fingers in their mouths or touching their feet while at their lesson.
- If a student arrives for a lesson and they are exhibiting any symptoms of illness, a parent will be called to pick them up.
